HOWDY DANCE

Howdy Dance, the first dance of the year, turned out to be a smash. The whole gang had a great time, even Dave the Narc was out there "Boogying". Everyone will always remember the first dance as a joyful time

HALLOWEEN

October 31st, is a day the students of Glenn will always remember. Halloween is a once a year occasion when students dress up in the strangest costumes, and have a really terrific time

WERE MIGHTY EAGLES

ACTIVITIES WEEK

John Glenn

Our activities week this year was full of excitement and fun, with balloons, pom-poms and people participating in the activities of each day, making fools of themselves

Everyone had a good time dressing up in special costumes, and hats. This activities week will not be forgotten

Our Homecoming Game this year was won with great strategy, concentration, and spirit. The stands were filled, people were cheering, and the players were doing their job. We really have to hand it to the team this year for their fantastic job. Let's give 'em a big cheer! Rah... Rah...!!

QUEEN ALICIA

Alicia Salazar was full of smiles as last years Homecoming Queen Tammy Golden placed the crown on her head, and gave her the title of 76-77 Homecoming Queen

HOMECOMING CROWNING

HOMECOMING DANCE

The Homecoming Dance was a big success. Many people showed up, including the alumni. The band, Crystal Ship, was excellent and won't soon be forgotten.

TONIGHT'S THE NIGHT

The Christmas Dance of 76-77 was one everyone enjoyed. Everyone was in an excited mood and being dressed formally helped bring it on. Santa of course was there too, enjoying himself while dancing and passing out candy canes to every girl he'd dance with

The band, 'Oooh...La...La...' was very good, especially while playing the theme song, "Tonight's the Night." Everyone will remember this year's dance with enjoyment and pleasure

THE GLASS MENAGERIE

The play *My Darling Clementine* by Tennessee Williams is a drama of passion, longing, and beauty. The story is about Amanda Williams, a faded former belle of Southern society who lives with her son Tom and her daughter Laura in a New York City apartment. She strives to give them a taste of the life she once led and the lives of her friends. Her methods are ineffective and irritating. Tom grows nearly to distraction. Laura seeks escape through the unreal world of movies. Because she is alone, Laura lives in her own world of illusion. She is disappointed and hurt by her mother's inability to see her married. The crux of the action comes when Tom and Laura are invited to dinner. Amanda sees this as a last chance for Laura in spite of her pride and often attempts to entrap the young man. He and Laura manage to get along very nicely and momentarily Laura is able to fit herself into a new world. But this crashes when toward the end, Tom explains that he is already engaged. The world of illusion which Amanda and Laura have striven to create in order to make life bearable collapses about them. Tom, too, at the end of his tether at last leaves home.

After 6 years of inventiveness
creativity and fun, Children's Theatre
is still going strong. For the first time
we are not only working with live actors
but with a new kind of star—the puppet.
This year we now have an army of quite
delightful puppets. They will be
appearing in "The Magic Fruit" and
"Little Red Riding Hood". Our muppet
friends are also appearing for the first
time. They have become a permanent
fixture around a certain classroom to
the shock, delight and surprise of
unwary students.

The first thing this year's patriot staff learned was that when they thought they were done, they found they had only just begun. Famous last words from a staff member were, "I'm finally done," and the reply they heard was, "You wanna bet?!" Problems came along as often as laughter. Our photographers were quite a team. Gonzalo would guard his pictures with his life and was so devoted we almost forgot him in the darkroom. And Henry was always saying, "Let Gonzalo take the picture." Our editor, Lyle, was often heard telling D.J., "You yell at them, I can't!" and D.J. replying, "My Lord!" Lori, assistant editor, was always running around with her head cut off saying, "Oh my gosh D.J. Not again!" June worried because Joe might glue the senior portraits backwards. Mary constantly becoming paranoid over any mistake and screaming, "Frank, you dumb O!!!" Frank would then look at Mary with sad eyes and say, "I'm not dumb! I just can't help it!" Annette quickly says, "Okay Mary, calm down!" Annette would ask, "Did you do my pep

ally pictures. And so Ann would try to convince her that she'll get it finished. Angie would sit around and grumble, "I hate staying after school!" Tammi would say, "I can't figure out anything for this copy!" And Joe would come to the rescue and say, "Never fear, the Great Copy Editor is here!" When we asked Lyle to approve our layouts he seemed always to reply, "It doesn't grab me!" Debbie and Priscilla mumble some smart-remark together like, "This section is mangled!" Lyle spent all of his time with June declaring that he was helping her. Jinny and Eileen never really said anything but when everything was finished would ask, "Is there anything we can do?" Liz was constantly telling D.J., "All I did was take it out of its envelope and leave it on the table!" As we would walk into class following lunch, we never failed to hear Diane and Terri claiming, "I've got the munchies." Lorrie's famous comment was, "I never knew this class would be like this!" Now, do you want to be on the yearbook staff?

The trouble is, you're
halfway through it before you
realize it's one of those
do-it-yourself things

HOW IS A WOMAN
HOW TO look like a girl,
HOW TO act like a lady
HOW TO talk like a man
And so on...

I'm SHOCKED.

It's better to be a fool than to
be a man's mouth and
a woman's...

10 years ago I started out
teaching with absolutely no
experience. I worked my way up to
become a teacher of the year.

m starting to get

nita,
to nita a girl that has
to much to offer. Hope
to see you in the future

VARSITY FOOTBALL '77

This year's Varsity Football team, under our New Head coach Bill Brown, brought us within one game of the C.I.F. playoffs. We look forward to a winning season next year!

SOPHOMORE FOOTBALL

This year's sophomore team had a good season, winning five games and only losing four. Fortunately, they completed the season with only one injury. We will be looking forward to seeing all of them on the Varsity team next year!

COACH BILL BROWN

Bill Brown, the head coach of Varsity Football, coached at Orange High before coming to John Glenn. Coach Brown and his assistants, A Anderson, S DeFord, and E Trimble were instrumental in improving our record to a 4-3-1 season. As a result our team and school spirit are at their highest

Coach Brown lives in the City of Orange with his wife Ursela and a mean little puppy named Fang. Bill Brown went to high school in Indiana. During his high school years he played football as an end. Off season he enjoys Traveling Fishing, Racing Motorcycles, and Snow Skiing during the winter. In the words of Coach Brown he thinks Glenn is FANTASTIC!

GIRLS' ATHLETICS COACH OF THE YEAR

The 1976-77 Patriot Staff is proud to name Miss Linda Barrett as the first annual Girls' Athletics Coach of the Year

This year marks her eleventh year of teaching at John Glenn. She has been a member of both the Physical Education and the Science Dept. Not only has she taught during these years, but she has coached many teams including Varsity Volleyball, Softball, Basketball, Football, and Fieldhockey

When asked for her best coaching year and her best player, she answered, "Every team, every sport, every player hold such memories that it is impossible to choose a favorite, year, team, or player."

In addition to teaching and coaching she enjoys reading, as well as participating in many sports herself

John Glenn High School is not only lucky but honored to have a person like Miss Linda Barrett on its Staff

BOYS' ATHLETICS COACH OF THE YEAR

The 1976-77 Patriot Staff is proud to name Mr. Art Jessup as the first annual Boys' Athletics Coach of the Year.

This year marks his twentieth year of teaching in the Norwalk-La Mirada Unified School District. His career began at Norwalk High School, where he taught for five years before transferring to Glenn in 1962. While at Glenn he has taught health safety, dr. ed., science, math, and p e. He has coached varsity football and is presently coaching varsity baseball. When asked to name his best football and baseball players, he answered, "Over the years there have been many outstanding players. It is hard to pick a favorite from such a long list. I must confess though, when we went to C I F. in 1975, it was a great moment in my career." Several of his hobbies include backpacking, fishing photography and body surfing

John Glenn High School is not only lucky, but honored to have a person like Mr. Art Jessup on its staff

AUTOGRAPHS

You've just finished looking at, inspecting, staring at, beholding, and gazing at the best thing to happen to Glens since the day Mr. Fleming came to our school.

As staff members we realize that it took more than one person to put together this Masterpiece (even though Lyle, the editor, would tell us differently).

We, the members of the Yearbook Staff, wish to acknowledge our appreciation to those people who helped make this possible.

In addition to the reasons given for dedicating the book to Mr. Usher we wish to give thanks for his rescue mission driving to Coronado Del Mar to retrieve staff members stranded when the school car "Green Weenie" broke down).

If you open the book and stare at the front cover you will see a photo taken by Mr. Jessup.

We thank him for allowing us to use his picture to enhance our cover.

We also wish to thank Mrs. Manes for all her help and for putting up with us and our mistakes (though they were few).

But one definitely not least is our thanks to ourselves, the Yearbook Staff, after all, it was our germinal put the whole mess into the great work before you. These are some of the best and worst people to ever grace a yearbook room. We had our fun and also our serious times and all things considered it's a miracle anything got done.

We, the undersigned, do hereby solemnly swear that the aforementioned statements are true to the best of our knowledge.
